Resident diva Devane will stop at nothing to get the star treatment she feels she deserves. Especially when she's overlooked for a solo in the group's first show and Emerson, her nemesis, isn't. During the performance, Devane does the unthinkable—she steals the scene from Emerson— and is thrown out of the group. But in the end, it's the group who could end up suffering. Devane may be an egomaniac, but she's also an unbelievable dancer. The Hip Hop Kidz need her, and Emerson might be the only one who can convince her to come back.
