Carlton and Point Breeze (Images of America)

Hollis Ricci-Canham, Avis A. Townsend

Carlton and Point Breeze (Images of America) Hollis Ricci-Canham, Avis A. Townsend

With 200 unforgettable images, Carlton and Point Breeze recounts the history of a community that developed along the shore of Lake Ontario in 1803. The first settlers hunted and fished for a living, just as Native Americans had for centuries. At Point Breeze, Oak Orchard Harbor became a shipbuilding center. The Bridges and Waterport developed as fishing villages. And Ashwood, Kenyonville, Kuckville, and Kent grew into large farms, with crops and cattle that were shipped to faraway markets. Times change, and today the waterfront's recreational appeal lures thousands of visitors. But ancient Native American burial grounds still exist here, and arrowheads and flint appear each spring when gardens are tilled and farmland gives way to golf courses.
