This coloring book is for both children and grownups who want easy drawings to color. Most of the drawings are simple, though some are more complex. The 23 designs include a wide variety of buildings...something for everyone! You can even create a mural or write on the side of a building. There are dotted lines at the side of each drawing. There is only one drawing per piece of paper, so if you wish to cut them out and save them, use the dotted line as a guide.
