Filled with local stories and anecdotes and containing an impressive range of photographs—from snapshots of veterans of the War Between the States to high school class pictures from the 1950s; from early images of the resort area to photographs documenting recent changes to Louisa—this new book will earn a lasting place on area bookshelves and will be handed down from generation to generation for years to come. Louisa and Louisa County will be enjoyed by older folk as a trip down memory lane, and appreciated by younger generations as a glimpse of an era when life was harder, but perhaps simpler.
