## **Out of Time (Time Thriller Trilogy)** Paul McCusker

A long history of strange disappearances and unexplainable occurrences leave clues that the town of Fawlt Line may actually sit on a time fault—a portal to alternate times and unexpected time travels—a twist of fate that puts all of Fawlt Line's citizens in serious danger. Will they find the faith to hold on to the town and time where they belong?

On a foggy night, Jeff and Elizabeth see a car heading through the mist. A man on horseback is in the middle of the road, and a collision was barely avoidable. Now the victim—a giant of a man—lies on a hospital bed, surrounded by hospital staff and a host of questions.

Has King Arthur really slipped through a time crack into Fawlt Line?

Impossible? Perhaps. But lately in the town of Fawlt Line, the impossible has had a way of proving true. And the most incredible events are yet to come.
