Vive: 1 (Crecimiento Personal) (Spanish Edition) Karen Wyatt

¿Por qué tantas personas comprenden lo que de verdad importa en la vida solo ante una muerte inminente? Sucede así, sostiene la doctora Karen Wyatt, médico de familia que ha dedicado años de profesión a acompañar a enfermos desahuciados, porque la plena consciencia de la propia mortalidad trae consigo importantes revelaciones de índole espiritual. Por el contrario, el empeño de nuestra cultura en vivir de espaldas a la muerte nos está privando de una sabiduría trascendental. La doctora Wyatt recoge en este libro iluminador las enseñanzas que brinda la aceptación de la propia impermanencia. Desde el significado del sufrimiento hasta el verdadero propósito de la existencia, la autora despliega siete lecciones rebosantes de luz y esperanza a partir de sendas historias extraídas de su propia experiencia. Siete revelaciones transformadoras que no solo proporcionarán consuelo a los que afrontan el tránsito final sino a todo aquel dispuesto a contemplar la vida como un viaje espiritual que se despliega en el plano físico.

From reader reviews:

James Fomby:

Book is usually written, printed, or outlined for everything. You can learn everything you want by a guide. Book has a different type. As we know that book is important thing to bring us around the world. Alongside that you can your reading ability was fluently. A e-book Vive: 1 (Crecimiento Personal) (Spanish Edition) will make you to always be smarter. You can feel far more confidence if you can know about every little thing. But some of you think that open or reading some sort of book make you bored. It's not make you fun. Why they may be thought like that? Have you trying to find best book or appropriate book with you?

Loretta Faria:

As people who live in typically the modest era should be change about what going on or info even knowledge to make these keep up with the era that is certainly always change and progress. Some of you maybe will probably update themselves by studying books. It is a good choice for you but the problems coming to an individual is you don't know what kind you should start with. This Vive: 1 (Crecimiento Personal) (Spanish Edition) is our recommendation to make you keep up with the world. Why, since this book serves what you want and wish in this era.

Bradley Smith:

Reading a e-book tends to be new life style in this era globalization. With reading through you can get a lot of information that can give you benefit in your life. With book everyone in this world can certainly share their idea. Books can also inspire a lot of people. A great deal of author can inspire all their reader with their story or their experience. Not only situation that share in the books. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors in this world always try to improve their expertise in writing, they also doing some analysis before they write for their book. One of them is this Vive: 1 (Crecimiento Personal) (Spanish Edition).

Lisa Madruga:

As a student exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some e-book, they are complained. Just small students that has reading's internal or real their interest. They just do what the educator want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that examining is not important, boring in addition to can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Vive: 1 (Crecimiento Personal) (Spanish Edition) can make you really feel more interested to read.
