Anglican Church School Education: Moving Beyond the First Two Hundred Years

Anglican Church School Education: Moving Beyond the First Two Hundred Years

Anglican Church School Education explores the contribution of church schools and considers how they might contribute to education in the future to allow for a better standard of understanding of church schools. Drawing together some of the leading writers and thinkers in church school education, this volume is divided into five parts:

The Historical Story
Current Policy and Philosophy

Reflection on Current Practice

Instrumental in Shaping the Future

Reflections and Recommendations

This unique collection celebrates past achievements and informs the future engagement of the Church in education.
