## **Los árboles sin bosque (Spanish Edition)** Federico Nogara Castro

Hay algo más determinante que la soledad, el destierro, la dictadura del destino, el desamor, la opresión, la muerte, la compleja naturaleza humana a lo largo de la historia. Está la conciencia. Y a partir de ella, todo lo que se asume para seguir en el camino con el equipaje de dudas y esperanzas, sin renunciar al horizonte, comunicando la fugacidad de días y hojas, pero afirmando que en cada raíz algo se levanta para salir hacia un aire y una luz más altas. La literatura surgida en ese joven país llamado Uruguay da fe de dicha conciencia, marcada por injusticias y silencios.

Este libro no sólo nos acerca a diversas voces derivadas de las pulsaciones de aquel sur, sino a las inquietudes y a la temática de fondo afines a cualquier lector lúcido y contemporáneo.

## EL AUTOR

Federico Nogara define su estilo con la seguridad del vencimiento de una deuda y el análisis de Jorge Valdano sobre las Aptitudes de los Centrocampistas y su Juego Determinante: “En mi estilo propio, después de años de búsqueda incesante, vigilo tanto lo que digo como cómo lo digo. Yo no soy un escritor realista; la realidad es un concepto complejo. No hace falta enseñarla, todos vemos la situación, y es compleja, como digo, porque incluso la situación mundial...”.

Darle cordura a este galimatías es tarea harto difícil: “Yo escribo los mecanismos que llevan a esa realidad, mecanismos humanos...”.
