Stephen Andrew Cooper

Marius Victorinus' Commentary on Galatians (Oxford Early Christian Studies) Stephen Andrew Cooper

This is the first English translation of Marius Victorinus' commentary on Galatians. Analytical notes, full bibliography, and a lengthy introduction make this book a valuable resource for the study of the first Latin commentator on Paul. No such comparable work exists in English; and this volume engages fully with German, French, and Italian scholarship on Victorinus' commentaries. A number of themes receive special treatment in a lengthy introduction: the relation of Victorinus' exegetical efforts to the trinitarian debates; the iconography of the apostle Paul in mid-fourth-century Rome; Victorinus' exegetical methodology; his intentions as a commentator; and the question of his influence on later Latin commentators (Ambrosiaster and Augustine).
