Neffy and the Feathered Dinosaurs

Neffy and the Feathered Dinosaurs

It was a very special day for Neffy the Microraptor—she would be taking her first flight. But when Neffy spread her wings she didn't know what she was supposed to do! Will she learn in time to join her sisters and escape the predators on the ground?

In this informative and fact-based story, Joe Lillington takes the reader back to the time of dinosaurs as we follow young Neffy in her first attempt at flying. Along the way, she meets other friendly dinosaurs (and some not so friendly ones), all illustrated in Lillington's beautiful style full of character.
