The Healing Reawakening: Reclaiming Our Lost Inheritance Francis MacNutt

Reclaim the transforming power of healing!

Although the main method leading to the conversion of the Roman Empire during the early years of Christianity lay in healing the sick and casting out evil spirits, belief in supernatural healing nearly disappeared from mainline churches during the following centuries. How did something so central to Jesus' own heart, something so essential to the spreading of the Gospel, nearly disappear? Join Francis MacNutt as he explores the fascinating disappearance and today's reawakening of healing ministry.

Jesus has not stopped pouring out His blessings. Through The Healing Reawakening we can rediscover the empowerment that the early Church once experienced.

"This book is more than timely. It is avant-garde, a 'forerunner' statement among signals I sense the Spirit is sending the Church, saying, I'm ready to move again in earth-shaking revival power."--Jack W. Hayford, president, The International Church of the Foursquare Gospel; chancellor, The King's Seminary; founding pastor, The Church On The Way

"A hard-hitting book that should be read by every Christian. I highly recommend it."--Vinson Synan, distinguished professor of Church history, dean emeritus, School of Divinity, Regent University

"This is the book for the whole Church at this critical moment in her history. MacNutt diagnoses with theological and historical narrative both the loss and today's partial recovery."--Don Williams, Ph.D, author; Vineyard pastor

"Destined to become required reading for all seekers of truth."--Barbara Shlemon Ryan, president, Beloved Ministry

Francis MacNutt, Ph.D., is the author of the bestselling Healing, as well as Deliverance from Evil Spirits and other books on healing prayer. He and his wife, Judith, are the founders of Christian Healing Ministries.
