**East Side Stories: Gang Life in East L.A.** Joseph Rodriguez, Ruben Martinez, Luis J. Rodriguez

In his interview, Luis Rodríguez explains that the demonization and false glorification of gang life has done much disservice to the termination of gang activity, activity which he defines as "90% boredom." What's the key to reducing gang violence and improving inner-city lives? To the dissolution of jail time as a rite of passage? Part of the solution lies in providing better education, in teachers able to tap into and help direct the overlooked creativity of inner-city communities. A great responsibility lies, as well, in a national understanding and support for communities bound by poverty, and in encouraging people to work together to help people work for themselves.
