What avoidable problem destroys more young startups than any other?

Why is it a mistake to ask for introductions to investors?

When do you play the Ceo card?

Should you sell out?

Author and four-time founder/Ceo Dan Shapiro tells the stories of dozens of startups whose companies lived and died by the advice in these pages. From inception to destruction and triumph to despair, this rollercoaster read takes aspiring entrepreneurs from the highs of billion-dollar payouts and market-smashing success to the depths of impostor syndrome and bankruptcy.

- **Leadership** lays out a path to build a strategy and culture for your team that will survive good times and bad
- **Management** reveals how to manage your board, argue with your team, and play the Ceo card
- **Endgame** explains how to finish a company's existence with grace, wealth, and minimal litigation
