Preaching the New Testament

Preaching the New Testament

The New Testament writers proclaimed their message passionately and persuasively. This volume explores how we can preach faithfully from those texts. The chapters cover the main texts and genres of the New Testament, and offer particular insights into the infancy narratives, parables, miracles, the Sermon on the Mount, ethics, future hope and judgment, archaeology and history, hermeneutics and the "New Homiletic."

Building on sound principles of interpretation, communication and application, this book supports the efforts of preachers and Bible teachers to proclaim the good news to listeners today.

Contributors include: Charles Anderson, D. A. Carson, the late R. T. France, Justin Hardin, Mariam Kamell, I. Howard Marshall, Jason Maston, John Nolland, Peter Oakes, William Olhausen, Klyne Snodgrass, Helge Stadelmann, Christoph Stenschke, Stephen Travis, Paul Weston and Stephen Wright.
