## **The Fuck Up** Arthur Nersesian

Arthur Nersesian's underground literary treasure is an unforgettable slice of gritty New York City life.

This is the darkly hilarious odyssey of an anonymous slacker. He's a perennial couch-surfer, an aspiring writer searching for himself in spite of himself, and he's just trying to survive. But life has other things in store for the fuck-up. From being dumped by his girlfriend to getting fired for asking for a raise, from falling into a robbery to posing as a gay man to keep his job at a porno theater, the fuck-up's tragi-comedy is perfectly realized by Arthur Nersesian, who manages to create humor and suspense out of urban desperation. "Read it and howl," says Bruce Benderson (author of *User*), "and be glad it didn't happen to you."
