**A Chosen Faith: An Introduction to Unitarian Universalism** John Buehrens, Forrest Church

For those contemplating religious choices, Unitarian Universalism offers an appealing alternative to religious denominations that stress theological creeds over individual conviction and belief. In this new edition of the classic introductory text on Unitarian Universalism, which includes a revealing, entertaining foreword by best-selling author Robert Fulghum (*All I Really Need to Know I Learned in Kindergarten, It Was on Fire When I Lay Down on It*), a new preface by UU moderator Denise Davidoff, and two new chapters by the authors, John Buehrens and Forrest Church explore the many sources of the living tradition of their chosen faith.
