It began with a frantic 911 call from a woman in a dusty Arizona border town. A gang claiming to be affiliated with the Border Patrol had shot her husband and daughter. It was initially assumed that the murders were products of border drug wars ravaging the Southwest until the leader of one of the more prominent offshoots of the Minutemen movement was arrested for plotting the home invasion as part of a scheme to finance a violent antigovernment border militia.

*And Hell Followed With Her: Crossing to the Dark Side of the American Border* is award-winning journalist David Neiwert's riveting account of the life and death of America's Minutemen—and the terrifying story and psychology of movement leader Shawna Forde. A compulsive and brilliant portrait of cold-blooded killers and true believers, *And Hell Followed With Her* is at once a horrifying crime story and a frontline report on America's nativist foot soldiers.
