## **Close Encounters with God: Unveiling the Secret of the Hidden God** Dr Reginald O. Crosley

Close Encounters with God presents a study of multiple close encounters with Yahweh, the name of God in Hebrew Scripture. These encounters enable us to have a clearer portrayal of the self-revealed God, one who is different from the conceptualized deity envisioned through such means as transcendental meditation, vision quest, or mystical rapture. By rediscovering the true personality of the self-revealed God, we will be able to understand the great mysteries of the universe that have baffled mankind for millennia. Why do the blameless suffer? Why does evil persist in the world? Why do the wicked prosper? Must the chosen people suffer the destiny of martyrdom? And why should Yahweh remain the hidden God? Dr. Reginald O. Crosley is a practicing physician of internal medicine and nephrology in Baltimore. Originally from Haiti, he emigrated to the United States in 1967. He previously published his poetry in Montreal and Paris, and has also written on alternative medicine, the metaphysics of African traditions, and the Second Coming of Christ. Why do innocents suffer? Why does evil persist and even prosper in the world? Why is there a need for martyrdom? And why does God remain hidden from those He created? In his eye-opening book Close Encounters with God: Unveiling the Secret of the Hidden-God, Dr. Reginald O. Crosley defines a new way to look at the universe and at ourselves. Through such means as transcendental meditation, mystical rapture and vision quests, many cultures have sought the hidden God. This book presents a study of these encounters with man as written in the scriptures. God has revealed himself to mankind throughout the millennia, and the Bible speaks of numerous Close Encounters with God, times when God chose to reveal Himself to spread His word. By rediscovering the self-revealed God, we can begin to understand the great mysteries of the universe. The time for Unveiling the Secret of the Hidden-God has come. About the Author: Dr. Reginald O.
