Necessary Measures (Healing Touch Series #2) Hannah Alexander

Book 2 of the Healing Touch series. Dr. Grant Sheldon's move to Dogwood Springs is not turning out as he had planned. The ills he thought he'd left behind in the big city trouble this otherwise peaceful town, too. Lauren is drawn to Grant and his twins, but she is concerned that her feelings for them conflict with her commitment to remain single. Just when she feels she must step back, circumstances thrust her even closer. Drawn from real-life experiences, Hannah Alexander interweaves the lives, loves, and spiritual struggles of hospital personnel with the high drama of ER action.
