Long known as "the gold standard" for medical transcriptionists, **The AAMT Book of Style for Medical Transcription** addresses points of grammar, punctuation, style, usage, editing, and much more. This new, improved Second Edition includes a comprehensive index prepared by a professional indexer. Style points have been reworked and enhanced, examples have been augmented for added clarity, practical hints have been placed in the margins, and points of grammar, punctuation, and usage are identified. The book is wider so that it lies flat when open and the type style and format are easier on the eye.

A CD-ROM (.pdf) version is included with the book at no extra cost.
