## **Too Busy Marco** Roz Chast

It's time for bed again, and Marco, a small red bird who lives with his (human) mother and father, simply has too much to do! He's got masterpieces to paint, underwater inventions to create, halfpipes to skate -- or better yet, inventions to create so that he can paint underwater while skateboarding at a world-class level! How can it possibly all get done? When one idea builds on top of another, and every object he encounters just screams inspiration, why would Marco ever want to put on his pajamas and brush his beak? With humor and a great deal of energy, this delightful new character from acclaimed illustrator Roz Chast will rev kids up and wear them out--just in time for bed.
