*David Cordingly*

**Under the Black Flag: The Romance and the Reality of Life Among the Pirates** David Cordingly  
For this rousing, revisionist history, the former head of exhibitions at England's National Maritime Museum has combed original documents and records to produce a most authoritative and definitive account of piracy's "Golden Age." As he explodes many accepted myths (i.e. "walking the plank" is pure fiction), Cordingly replaces them with a truth that is more complex and often bloodier. 16 pp. of photos. Maps.

*From the Hardcover edition.*
