Blood, Guts, and Whiskey (Thuglit Presents) Todd Robinson

She had an ass like a heart turned upside down and cut in half--and that's what we call foreshadowing, friend.

Gruesome and glam, vicious and violent, this collection of the best new neo-noir fiction will hit you like a biker boot to the skull. Unleashed from the net's most hardcore award-winning site, these down, dirty, and deeply depraved tales don't just cut the edge . . . they pour gasoline on it and toss it in a meth lab full of C-4 .

..

"Just because I killed my best friend with my bare hands doesn't make me all that bad. . . Christ, I loved the guy like a brother."

Throw down a shot with the last word in badass--a scheming stripper playing one fool too far; the rage-haunted lesbian who's the last word in nightmare revenge; a mercenary sheriff doomed by ruthless payback; avenging street angels unleashing holy hell --and just try and stagger away intact. . .

"This country's got a motto. It's pura vida, and it means when life gets you down, put your feet up, sister. But I lift my legs for no man."

So settle back with your favorite rot-gut, keep your brass knuckles handy, and hang where the odds are never good, darkness is a permanent state of mind, and the house always takes all . . .

Blood, Guts, And Whiskey
