The Healer's Calling: A Spirituality for Physicians and Other Health Care Professionals Daniel P. Sulmasy

With extraordinary grace and passion, Franciscan friar and physician Daniel Sulmasy speaks to the spiritual longing of healers. He points to where God may be found in health care; how faithful clinicians might persevere in the midst of the suffering and uncertainty that is part of daily practice; how and when a doctor or nurse might pray; and how genuine Christian joy can still be found in the healing arts.
