Virginia Military Institute (Campus History)

Keith E. Gibson

Virginia Military Institute (Campus History) Keith E. Gibson

In 1839, the Virginia Military Institute became the nation's first state-sponsored military college when the state arsenal in Lexington, Virginia, adopted an additional duty providing a college education to a small group of cadets. This humble experiment became the nation's model for educating the citizen-soldier. Today cadets live a military lifestyle while pursuing an undergraduate degree and may choose to accept a commission in any branch of the armed forces upon graduation. Noted alumni include Pony Express organizer Ben Ficklin (1849), Nobel Peace Prize recipient Gen. George Marshall (1901), Polar explorer Adm. Richard Byrd (1908), U.S. Supreme Court Justice Tom Clark (1921), and actor Dabney Coleman (1957). Numbered among the alumni are over 260 general officers, 13 Rhodes Scholars, and a saint in the Episcopal Church. The Post, as the campus is called, is a National Historic District with its distinctive Gothic Revival architecture surrounding the central parade ground.

Olivia Cook:

In this time globalization it is important to someone to find information. The information will make a professional understand the condition of the world. The condition of the world makes the information much easier to share. You can find a lot of sources to get information example: internet, newspaper, book, and soon. You can view that now, a lot of publisher that will print many kinds of book. The actual book that recommended for you is Virginia Military Institute (Campus History) this reserve consist a lot of the information on the condition of this world now. This particular book was represented how can the world has grown up. The vocabulary styles that writer require to explain it is easy to understand. The actual writer made some analysis when he makes this book. That's why this book appropriate all of you.

Nancy Page:

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that examining is not important, boring and can't see colorful images on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Virginia Military Institute (Campus History) can make you experience more interested to read.

Latashia Bartlett:

What is your hobby? Have you heard in which question when you got college students? We believe that that question was given by teacher to the students. Many kinds of hobby, All people has different hobby. And you also know that little person like reading or as studying become their hobby. You need to know that reading is very important and also book as to be the matter. Book is important thing to incorporate you knowledge, except your own personal teacher or lecturer. You see good news or update regarding something by book. Numerous books that can you go onto be your object. One of them is Virginia Military Institute (Campus History).
