Organized, efficient storage is a goal sought by most homeowners, and this book is an indispensable tool for achieving it. With more than 50 step-by-step projects and dozens of ideas for inspiration, homeowners will be able to bring order to the jumble, to tame and civilize the hoards of small and large household items begging for permanent, logical storage. Each project is designed for adaptability and versatility, allowing it to be used for a variety of purposes. Readers will find a broad range of projects, from installing convenient drawer and cabinet accessories, to constructing their own custom cabinets and entertainment centers. Also included is a chapter on framed-in projects, featuring instructions on how to frame and finish a new closet, how to create a closet organizer, and building recessed kneewall shelves. Finally, the new edition includes updated and expanded inspiration pages featuring new materials and additional ideas for efficient storage.
