Darksiders: The Abomination Vault Ari Marmell

Ride with the Horsemen of the Apocalypse as they seek to unearth a plot that could plunge all of Creation into chaos!

Ages before the events of Darksiders and Darksiders II, two of the feared Horsemen—Death and War—are tasked with stopping a group of renegades from locating the Abomination Vault: a hoard containing weapons of ultimate power and malice, capable of bringing an end to the uneasy truce between Heaven and Hell . . . but only by unleashing total destruction.

Created in close collaboration with the Darksiders II teams at Vigil and THQ, *Darksiders: The Abomination Vault* gives an exciting look at the history and world of the Horsemen, shining a new light on the unbreakable bond between War and Death.
