Kids DO come with an instruction manual—their astrological chart. *Momstrology* is the complete guide to understanding how both you and your little one are guided by the stars, and how your charts play a factor in how you relate to each other.

Identical twin sisters Ophira and Tali Edut, professional astrologers known as the Astrotwins, offer a modern look at astrology and parenting, and combine the two into a guide to understanding yourself, your parenting strengths and weaknesses, your little one's personality, and how you and your child can best relate to each other. Thoughtful, informative and fun, *Momstrology* covers every possible mom/child sign combination, and includes valuable information for dads and caregivers too.
