Police Officer Dave Harris has just been assigned to one of the worst serial murder cases in Seattle history: The Dragon is hunting young Asian men. In order to solve the crime it's going to take a bit more than good old-fashioned police work. It's going to take handsome FBI Agent Robbie Taylor. Robbie is an experienced Federal Agent with psychic abilities that allow him to enter the minds of others. You can't hide your secrets and desires from someone that knows your every thought. Some think what Robbie has is a gift, others a skill, but when the mind you have to enter is that of a madman it can also be a curse. As the corpses pile up and the tension mounts, so does the sexual attraction between the two men. Then a moment of passion leads to a secret affair. Will their love be the distraction that costs them the case and possibly even their lives? Or will the bond forged between them be the key to their survival?
