The Punisher Vol. 3: Last Days Nathan Edmondson

Collects The Punisher (2014) #13-20.

The Howling Commandos have gone a step too far: They have Frank Castle's only remaining family sequestered in a Los Angeles hotel. As the city erupts into chaos, Frank brings the fight — and most of L.A.'s gangs — to them! As Frank follows the trail of corruption all the way to the nation's capital, he finds himself up against a force that will test his morals, his resolve, and his fiber as a soldier. With the Punisher on a government hit list, has Frank walked into the lion's den? Or can he find the man pulling the strings — before Captain America stops him? Frank Castle is out for punishment, and his long quest for vengeance is nearly at an end. But the clock is ticking — and he plans to go out with a bang, not a whimper.
