Privilegio pericoloso (Italian Edition)

VIVIANA A.K.S.

Privilegio pericoloso (Italian Edition) VIVIANA A.K.S.

Samantha è una ragazza ventunenne, determinata e precisa ma che si affida ai consigli dei suoi sogni notturni come fosse ancora bambina, alle prese con l'ultimo periodo universitario prima della laurea in Architettura a Cambridge e con un concorso di eco sostenibilità indetto dall'università e dagli UAE. Jaide, splendido ragazzo ventiquattrenne, studente anch'esso, principe ereditario, mandato dal padre a farne le sue veci in università, la sceglie come vincitrice del concorso e la porta con sé nell'azienda della sua famiglia e nella sua casa, ospitandola a palazzo in nome dell'estrema ospitalità che vuole offrirle, ma nascondendo, all'interno dell'intento, un'irrefrenabile attrazione nei suoi confronti condita con una verità celata e mai svelata. Sarà così che l'uno entrerà nella vita dell'altro. Se Jaide le farà esplorare con passione ogni centimetro di corpo che lei legherà a lui intrecciando sentimenti che si nasconderanno dietro il piacere più sublime, Samantha, dal canto suo, entrerà, come un uragano, nella quotidianità di questo principe integerrimo, permettendogli di vedere le donne sotto un'altra luce e abbattendo lentamente le sue credenze, facendo scemare il suo oscuro intento primario, coinvolgendolo non solo nel corpo ma anche nell'anima. I loro caratteri forti e decisivi e le loro culture così distanti faranno vivere a entrambi delle situazioni affascinanti, talvolta al limite del razionale. Eppure, sarà proprio la scelta di Jaide di avvicinarsi con rispetto a Samantha che li condurrà entrambi in un pericoloso vicolo.

Ed è in questa storia, a tratti futuristica, in altri erotica, coinvolgente e appassionante, che si svolgono le vicende più inaspettate e incredibili.

From reader reviews:

Mark McCarver:

A lot of people always spent their free time to vacation or maybe go to the outside with them family members or their friend. Did you know? Many a lot of people spent they will free time just watching TV, or playing video games all day long. In order to try to find a new activity here is look different you can read a new book. It is really fun in your case. If you enjoy the book that you read you can spent all day every day to reading a e-book. The book Privilegio pericoloso (Italian Edition) it is extremely good to read. There are a lot of individuals who recommended this book. These people were enjoying reading this book. In case you did not have enough space to deliver this book you can buy the actual e-book. You can m0ore easily to read this book out of your smart phone. The price is not too expensive but this book has high quality.

John Judge:

The reason why? Because this Privilegio pericoloso (Italian Edition) is an unordinary book that the inside of the guide waiting for you to snap it but latter it will zap you with the secret this inside. Reading this book next to it was fantastic author who write the book in such wonderful way makes the content inside easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you because of not hesitating having this any more or you going to regret it. This amazing book will give you a lot of advantages than the other book have such as help improving your proficiency and your critical thinking approach. So , still want to delay having that book? If I were you I will go to the book store hurriedly.

Evelyn Montgomery:

Reading can called head hangout, why? Because if you find yourself reading a book specifically book entitled Privilegio pericoloso (Italian Edition) your head will drift away trough every dimension, wandering in each and every aspect that maybe mysterious for but surely will become your mind friends. Imaging every word written in a e-book then become one type conclusion and explanation that maybe you never get ahead of. The Privilegio pericoloso (Italian Edition) giving you another experience more than blown away your mind but also giving you useful info for your better life on this era. So now let us show you the relaxing pattern this is your body and mind will probably be pleased when you are finished reading through it, like winning a game. Do you want to try this extraordinary paying spare time activity?

Donald Murray:

Is it you actually who having spare time then spend it whole day by simply watching television programs or just lying down on the bed? Do you need something totally new? This Privilegio pericoloso (Italian Edition) can be the response, oh how comes? A book you know. You are consequently out of date, spending your time by reading in this new era is common not a nerd activity. So what these books have than the others?
