7 Days of Magic: Spells, Charms & Correspondences for the Bewitching Week

Ellen Dugan

7 Days of Magic: Spells, Charms & Correspondences for the Bewitching Week Ellen Dugan

Enchantment is not limited to the Sabbats and the occasional full moon. Magic happens all the time and every day. *7 Days of Magic* demonstrates how to successfully apply the specific magical energies of each day into spells, charms, and rituals.

Forget about memorizing massive correspondence charts. This practical, easy-to-use guide encourages readers to learn at their own pace. Every chapter-one for each day of the week-contains a small table of magical correspondences (planetary influence & symbol, deities, flowers & plants, metals, colors, crystals & stones, Tarot cards, herbs & spices), which are talked about in-depth within seven distinct sections. Each chapter ends with a magickal potpourri of sample spells and rituals.
