## Critical Communication Studies: Essays on Communication, History and Theory in America (Communication and Society) Hanno Hardt

The development of communication studies has been a lively process of adoption and integration of theoretical constructs from Pragmatism, Critical Theory and Cultural Studies. *Critical Communication Studies* describes the intellectual and professional forces that have shaped research interests and formed alliances in the pursuit of particular goals.

Hanno Hardt reflects on the need to come to terms with the role of history in academic work and locates the intellectual history within the context of competing social theories. The book provides a substantive foundation for understanding the field and will be a major text in all courses dealing with communication history and theory.
