These five first books join to represent a freshly emerging 21st Century Indigenous Mainland poetry. This collection releases a reader into parallel spaces of Native culture as diverse as the US-occupied landscapes they embody; the desert Southwest, the Pacific Northwest, Eastern Woodlands, Great Lakes Region, Kansas and Oklahoma, bringing a bit of urban and rural symphony by resisting folds into Americana with courageous unfolding imagery in a serious range of departure. Five debut books present a fistful of furious nature, supple with beauty and brilliance and packing the punch intentional poetry delivers. This is a fearless collection of evocative and challenging verse. Effigies II is a road trip through Indian Country with five American Indian women poets who bring it all back home.
