Leo: A Ghost Story Mac Barnett

You would like being friends with Leo. He likes to draw, he makes delicious snacks, and most people can't even see him. Because Leo is also a ghost. When a new family moves into his home and Leo's efforts to welcome them are misunderstood, Leo decides it is time to leave and see the world. That is how he meets Jane, a kid with a tremendous imagination and an open position for a worthy knight. That is how Leo and Jane become friends. And that is when their adventures begin. This charming tale of friendship—from two of the best young minds in picture books: the author of the Caldecott Honor–winning *Extra Yarn* and the illustrator of the Bologna Ragazzi Award–winning *Josephine*—is destined to become a modern classic that will delight readers for years to come. Plus, this is a fixed-format version of the book, which looks nearly identical to the print version.
