Power/Holiness/Evangelism: Rediscovering God's Purity, Power... Randy Clark

Why has the Church of the latter century not seen the exponential growth of the early Church in the first century? When was the last time a local church's evangelistic team garnered 3,000 new believers in one day? Could it be that we have separated two vital components of effective Christianity? What Part of the Flame do you carry? Many churches today stress holiness but lack power, while others display great power but are deficient in personal holiness and Christian character. Both are limited in the effectiveness of their evangelism. If we really want to win our world for Christ, we must bring both holiness and power back into our lives. Without them, we don't have anything to offer or interest the lost. A Church on fire, though, will draw countless numbers to her light. When small fires join together... Each of these powerful men of God carry a passion for bringing the Church to its highest potential in Christ. Their individual perspectives join together in this book to bring a clearer revelation of God's view of the Church. The truths they reveal will challenge you to increase the power and holiness in your own life, that you too may burn for Jesus Christ!
