A working pastor is always looking for fresh preaching perspectives. This hands-on resource from the author of a long-standing column in the journal *Lectionary Homiletics* covers the entire three-year lectionary cycle with brief reflections designed to generate fresh and timely sermon ideas.

Each reflection is limited to two pages and provides an interpretation of one or more lections for every month of the year. While some focus on a single lection, others draw forth a theological/pastoral theme that stretches across several lections, suggesting how to approach an entire month homiletically.
