If it ain't on the menu, keep it covered up!

Let's get real. You wanna look good. If you're like most girls, you want the attention of the opposite sex. And unless you've been living under a rock, you know that looking sexy is supposedly key to being today's "it" girl.

But have you stopped to consider that you're advertising with every outfit you put on? It's all marketing. Your clothes tell the world (including those visual creatures called guys) who you think you are.

Just because skin is in doesn't mean you have to let it all hang out to look great. *Sexy Girls* is all about helping you understand your body and how guys look at it. (And they are looking!) It explores why God cares about what's in your closet and helps you make good decisions on style that will keep you, your parents, and God all satisfied.

Hayley DiMarco has a passion for producing relevant material for teens. She is the founder of the Hungry Planet think tank, the author of *Mean Girls*, and the coauthor of *Dateable* and *Marriable*.
