## **The First Santa** Andrew Steed

The First Santa is a brilliant journey that celebrates the wonder, magic and mystery of being alive. When a 9-year-old boy discovers the tooth fairy may be a sham, he questions the existence of the jolly old elf himself, Santa. The boy's colourful dad takes him to the roots of the story, encouraging him to expand his horizon. The First Santa invites the child within us all to 'wake up', celebrate nature, faerie, and our authentic playful selves. A book helping to give meaning to the season of giving, and honouring the ancestors whose stories are etched in the land.
