This Is Not a Picture Book! Sergio Ruzzier

In this quirky yet sweet picture book about the joy and power of reading, Duck learns that even books without pictures can be fun. While he and his friend Bug may struggle at first to decipher their book, they stick with it, and before long they discover that not only can they read it, but it deserves a place on the shelf with all their favorite picture books. Author-artist Sergio Ruzzier has created a fanciful tribute to books of all kinds. It includes both words AND pictures. And because this is the fixed-format version, it looks almost identical to the print edition!
