Waterloo 1815 : Wavre, Plancenoit and the Race to Paris (Battleground) Peter Hofschroer
Histories of the Waterloo campaign and tours of the battlefield generally concentrate on the battle between the armies of Napoleon and Wellington - the role of Blucher's Prussians is left in the background. Peter Hofschöer's fascinating account focuses on the Prussians at the Battle of Waterloo and on their critical but often neglected contribution to the battle. He tells the story of the grueling Prussian advance towards the battlefield and he records the ferocious and decisive fight that broke out when they arrived. At every stage he allows the reader to follow in the footsteps of the Prussian soldiers as they struggled across the Belgian countryside almost 200 years ago.
