Fish

L.S. Matthews

Fish L.S. Matthews

A compelling novel that touches upon the hardships that refugees face and their resilience in the most dire of situations, “celebrat[ing] the human spirit and inherent kindness” (*School Library Journal*).

My story starts the day that my parents told me we must leave our adopted home forever. Because of the soldiers and the drought we barely had enough to eat and we could no longer stay to help the people in our village.

The journey would be hard—to cross the mountains and get to the safety of the border and the people there who could help *us*. But right before we were leaving, I saw a fish in a small brown puddle and I knew I had to take it with me. Yet when I put the fish in the pot, I never realized what we would have to face. It never occurred to me to leave Fish behind.

A subtle and sophisticated exploration of life, the strength of humanity, and survival in an unforgiving world, *Fish* is a story that will teach those who doubt that, when hope is almost extinguished, miracles can happen.

ALA Notable Children's Book Choice
***Publishers Weekly* Best Book of the Year**
Winner of the Fidler Award

[**STAR**] “Matthews allows just enough detail—and heart—to **make miracles feel possible.**”—*Publishers Weekly*, Starred Review

From reader reviews:

Lucia Morrone:

The book Fish can give more knowledge and also the precise product information about everything you want. So just why must we leave a very important thing like a book Fish? Wide variety you have a different opinion about guide. But one aim which book can give many facts for us. It is absolutely right. Right now, try to closer using your book. Knowledge or details that you take for that, you could give for each other; you are able to share all of these. Book Fish has simple shape however, you know: it has great and large function for you. You can look the enormous world by wide open and read a guide. So it is very wonderful.

Teresa Fernandez:

In this 21st millennium, people become competitive in most way. By being competitive right now, people have do something to make these people survives, being in the middle of the actual crowded place and notice by means of surrounding. One thing that often many people have underestimated that for a while is reading. Yes, by reading a reserve your ability to survive boost then having chance to endure than other is high. For you who want to start reading a new book, we give you this kind of Fish book as beginner and daily reading e-book. Why, because this book is greater than just a book.

Sharon McMichael:

Information is provisions for those to get better life, information presently can get by anyone on everywhere. The information can be a understanding or any news even restricted. What people must be consider when those information which is in the former life are hard to be find than now is taking seriously which one is appropriate to believe or which one often the resource are convinced. If you obtain the unstable resource then you understand it as your main information we will see huge disadvantage for you. All those possibilities will not happen throughout you if you take Fish as your daily resource information.

Beverly Woods:

This book untitled Fish to be one of several books in which best seller in this year, that is because when you read this reserve you can get a lot of benefit upon it. You will easily to buy that book in the book shop or you can order it through online. The publisher in this book sells the e-book too. It makes you easier to read this book, because you can read this book in your Cell phone. So there is no reason for you to past this book from your list.
