As we enter a new millennium, more and more women are embarking on personal journeys, both literally and spiritually, in the hope of discarding the trappings of modern living. Many seek solace from sites that were sacred to early pagans: Glastonbury and Stonehenge, Callanish in the Hebrides, and the Holy Wells of Ireland. Sally Griffyn has spent much of the last two years introducing visitors to both the famous and lesser-known sites of the British Isles. In addition to the descriptions of sites and the myths surrounding them, the reader will also find suggestions for healing rituals, meditations, and spells. It is a beautiful and unusual book for women seeking to enhance their spirituality.
