**What Came First** Carol Snow

**First comes love, then comes marriage, then . . . things can get a little complicated.**

Vanessa wants just one thing for her twenty-ninth birthday: an engagement ring from her longtime boyfriend, Eric. But when the ring turns out to be a mix CD and Eric turns out to be a guy who doesn't want to get married or have children, Vanessa considers a new path to having a family.

When Wendy and her husband, Darren, couldn't have children the old-fashioned way, a sperm donor seemed like the perfect solution. She never imagined she'd have out-of-control twins who'd drive her to cookie binges and scrapbooking while Darren escaped into the virtual world of computer games.

Single and career-driven, Laura didn't need a man to have a baby - at least not one that she ever met. Thanks to an anonymous donor, she shares her life with her adored eight-year-old son, Ian. She'll do anything for Ian - even fill their backyard with a bunch of noisy chickens. But the one thing Ian really wants is something Laura's never been able to give him: a sibling.

Now, to grant Ian's wish, Laura starts a search that will not only change her life but Vanessa's and Wendy's as well...

The book What Came First seemed to be making you to know about other understanding and of course you can take more information. It is very advantages for you. The e-book What Came First is not only giving you a lot more new information but also being your friend when you experience bored. You can spend your personal spend time to read your publication. Try to make relationship with the book What Came First. You never experience lose out for everything when you read some books.

#### **Kristy Moore:**

Information is provisions for those to get better life, information currently can get by anyone with everywhere. The information can be a expertise or any news even an issue. What people must be consider if those information which is within the former life are challenging be find than now could be taking seriously which one would work to believe or which one the resource are convinced. If you obtain the unstable resource then you have it as your main information we will see huge disadvantage for you. All of those possibilities will not happen inside you if you take What Came First as the daily resource information.

#### **Kathy Davis:**

Reading a reserve tends to be new life style on this era globalization. With reading you can get a lot of information which will give you benefit in your life. Together with book everyone in this world could share their idea. Books can also inspire a lot of people. Many author can inspire their very own reader with their story or their experience. Not only the storyplot that share in the publications. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors on earth always try to improve their skill in writing, they also doing some research before they write to their book. One of them is this What Came First.
