Jack London

Autobiografia alcoolica (Fogli volanti) (Italian Edition) Jack London

Jack London (pseudonimo di John Griffith Chaney London, San Francisco, 1876) scrive questa Autobiografia alcoolica nei primi mesi del 1912, qualche anno prima della sua controversa e prematura morte, ancora avvolta nel mistero: un'overdose "volontaria" di antidolorifici, un'intossicazione o un definitivo attacco di sifilide? È comunque il momento di una pesante ricaduta nel vizio del bere. Subito dopo un tormentato viaggio a New York, lo scrittore, completamente sbronzo, decide di rasarsi a zero i capelli. Usando le sue parole, quelle stesse della sua autobiografia, John Barleycorn ha ancora una volta la meglio sul povero essere umano che conquista con le sue lusinghe di eterna felicità. Autobiografia alcoolica è l'esempio più maturo delle capacità narrative di London, un racconto intriso di ricordi personali ora tristi e ora dolenti, solo di rado felici e spensierati. Memorabili rimangono gli inizi avventurosi sulle navi dei cacciatori di foche, i postriboli del porto di Oakland, le macabre, oscure anticipazioni di un probabile suicidio a venire. E non meno suggestive sono le parentesi sentimentali, come il primo amore, il primo bacio o il continuo riferimento all'amicizia virile. Un uomo attratto dal nomadismo e dall'avventura, ex operaio e cercatore d'oro, utilizza come chiave di lettura della sua stessa vita il vizio definito "casuale" per l'alcool, la disperata volontà di sfuggire al bicchiere e l'impossibilità autodistruttiva di rinunciare. Il suo "bere scientificamente" non salva London dalla schiavitù della bottiglia. Una summa ironicamente alcoolica di tutte le prove letterarie di London, un testo fondamentale per comprendere la sua poetica e mettere a fuoco la sua inimitabile facilità nel narrare la lotta umana per la quotidiana sopravvivenza.

Laura McCallum:

Information is provisions for folks to get better life, information presently can get by anyone on everywhere. The information can be a understanding or any news even an issue. What people must be consider when those information which is in the former life are hard to be find than now's taking seriously which one is appropriate to believe or which one typically the resource are convinced. If you have the unstable resource then you understand it as your main information you will see huge disadvantage for you. All of those possibilities will not happen in you if you take Autobiografia alcoolica (Fogli volanti) (Italian Edition) as the daily resource information.

Raymond Guajardo:

As a scholar exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some reserve, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Autobiografia alcoolica (Fogli volanti) (Italian Edition) can make you

experience more interested to read.
