BOOK SYNOPSIS

According to legend, on the day of the greatest naval battle of the Persian wars, when Athens finally defeated the Persian Empire, Euripides was born. Throughout his life, while Athens secured its decline with its ceaseless warfare, Euripides sought sanctuary in a cave on the island of his birth, Salamis. There, he spent the quiet hours of the day and night contemplating what drove people to passionate acts of madness and violence, themes expressed in plays like the *Bacchae*, *Electra*, and *Medea*.

Setting the playwright in context to his personal life, social, historical and political events, other writers of influence, and more, you will quickly gain a deep understanding of Euripides and the plays he wrote. Read *Euripides in an Hour* and experience his plays like never before. **Know the playwright, love the play!**
