Gods, Gachupines and Gringos: A People's History of Mexico

Richard Grabman

Gods, Gachupines and Gringos: A People's History of Mexico Richard Grabman

A complete, accessible, and nonacademic history of Mexico for general readers, this volume is a solidly researched introduction to a surprisingly multicultural, multifaceted nation. Presenting Mexico as it is and often with a refreshing wit and humor, this history puts flesh and bones on the dusty figures of the past while shedding light on the common humanity of the uncommon humans who created this unique country and its culture. From Mayans and Spanish conquistadors to guerillas and tourist invasions, the full thread of Mexican history is told here in a fresh, lively, uncompromising narrative for scholars, general readers, and generations to come.
