For years, tales of

DRAGONS

from another world kidnapping and enslaving humans have been circulating in Jason Masters' world, while for a slave girl named Koren, the stories of a human world seem pure myth. Together, these two teens will need to bridge two planets in order to overthrow the draconic threat and bring the lost slaves home.

The Time Has Come

As the long-awaited invasion of human forces looms, Jason, Koren, and Elyssa struggle to alert the soldiers to an unforeseen menace on the planet of Starlight—a deadly illness that already has Koren in its grip. Starlighter Cassabrie harbors a secret she believes can counter the dragon king Taushin's latest maneuverings, but she can disclose little of her risky plan. As Cassabrie fights to save her people, the dragon Magnar works to move the Starlight prophecy in his favor. His actions could make the plight of humans even more perilous.

Wishing only to free the slaves and bring peace, a few young warriors are poised to face three armies as they battle for control of two worlds. Can love, faith, and courage be enough? Will Cassabrie be humanity's last hope?
