The 13th Valley John M. Del Vecchio

Finalist for the National Book Award: A work that has served as a literary cornerstone for the Vietnam generation

The 13th Valley follows the terrifying Vietnam combat experiences of James Chelini, a telephone-systems installer who finds himself an infantryman in territory controlled by the North Vietnamese Army. Spiraling deeper and deeper into a world of conflict and darkness, this harrowing account of Chelini's plunge and immersion into jungle warfare traces his evolution from a semi-pacifist to an all-out combat-crazed soldier. The seminal novel on the Vietnam experience, *The 13th Valley* is a classic that illuminates the war in Southeast Asia like no other book. It is the first title in Del Vecchio's Vietnam War Trilogy, which also includes *For the Sake of All Living Things*, about the Cambodian holocaust, and *Carry Me Home*, which addresses the aftermath of war.
