**A la Cosecha: Una novela de un trabajador agrícola migrante (Spanish Edition)** John Duncklee

Esta es la historia de los viajes de Antonio Beltrán, un trabajador agrícola migrante de México. Las descripciones de los paisajes son tan precisos como los personajes de la historia, y aquí es una oportunidad para ver lo que puede ser una faceta diferente de la inmigración para algunos, ya que el autor ha conocido a muchos de los políticos estadounidenses que son propensos a etiquetar a los "extranjeros ilegales". La historia se vuelve contemporánea mediante la introducción de actividades de los cárteles que el autor considera el flagelo de México. También es una oportunidad para entender los sentimientos y preocupaciones de algunos de nuestros vecinos al sur de la frontera.
